# International ONLINE competition of the German Flute Society 2020 for young flutists in the category Flute Solo

Due to the new situation in Europe to curb the corona pandemic, the German Flute Society is launching an international online competition for young flutists for the first time. Children, adolescents and young adults who have not yet started any musical professional training can participate. They are divided into three age groups:

I 12 – 14 years	II 15 – 17 years	III 18 – 21 years
The competition is held all in one go and the length of the lecture per age group is:		
Age group I: 5-10 minutes	Age group II: 10 – 15 minutes	Age group III: 10 – 15 minutes

The **competition programme** can include one work or one movement, or can also contain several works / movements within the required playing time. Arrangements for solo flute are allowed.
